

**Name of the Faculty Member:** Prof. Anju Verma  
**Name of Activity:** Counselling Process (Simulated)  
**Name of Course/PAPER:** Counselling Skills for Managers  
**Semester:** III/IV

**Brief Description**

**Participants:** Counselor, Counselee, Counselee's Friends and Relatives.

**Objective and Brief Description:** The basic objective of this activity is to make students understand about the counseling process in simulated environment. A student is asked to enact the role of counselor and is assumed to follow the moral and ethical norms of counseling process. On the other hand, one student would behave as counselee. 2-3 students would act as relatives/friends of counselee. Rests students would be the audience of the activity. The activity would consist of 4-5 rounds and each round would complete in 10-12 minutes.
